INCIDENT OF INTEREST:

On 08/19/16 at 2217 hours (EDT), SA (b)(6);(b)(7)(C) (USSS/MSP/ID Adv) contacted the PIOC to report the following information:

On 08/19/16 at approximately 2200 hours (EDT), approximately 30 demonstrators, from an unknown group, impeded and caused damage to three motorcade vehicles prior to and during departure at the Nominee Trump site at the Minneapolis Convention Center, located at 1301 2nd Ave, S., Minneapolis, MN.

According to SA (b)(6);(b)(7)(C) as the motorcade was preparing for departure, representatives for the Minneapolis Police Department (MPD) neglected to restrict pedestrian traffic around the departure area. As the secure package (Lead/Limo/Follow-up) were departing the loading dock, the demonstrators approached the rest of the motorcade, attempted to block it, and began banging their hands on the vehicles. SA (b)(6);(b)(7)(C) advised the secure package was able to depart the site without incident, but the remainder of the motorcade was delayed by approximately one minute while

MPD cleared the area. The motorcade was split up for a couple of miles, but the delayed vehicles joined up with the secure package on the primary route and continued to the next site (airport) without further incident.

Upon arrival at the airport, SA (b)(6);(b)(7)(C) and the other members of the advance team noticed the Spare and PI car both had black spray paint damage on them, and the Minneapolis State Police tail vehicle incurred dents from the demonstrators' banging on it.

SA (b)(6);(b)(7)(C) advised no injuries or arrests were reported and MPD was not pursuing any investigative leads to identify the demonstrators. SA (b)(6);(b)(7)(C) advised the demonstrators did not appear to be associated with any one group. They did have signs but were not identified during the incident.

SA (b)(6);(b)(7)(C) advised the event was a closed fundraiser and no known media outlets were present. SA (b)(6);(b)(7)(C) was unaware if there was any media coverage of the incident.

On 08/19/16 at 2302 hours (EDT), Captain (b)(6);(b)(7)(C) (USSS/UDW) contacted SA (b)(6);(b)(7)(C) (USSS/PID/JOC) and advised he received information from USSS/UND Officers at the site who advised, at the request of Lead Advance SA (b)(6);(b)(7)(C) (USSS/MSP), three Officers and one Sergeant were asked to respond to the departure area to assist in controlling the demonstrators. This consisted of physically moving demonstrators out of the way. During the altercation, one of the Officers was struck in the head by a plastic bottle. The Officer was unharmed and refused medical treatment. The Officers further advised many of the demonstrators were filming the incident using their cell phones.

The Officers also advised they observed the vehicles with spray paint on them as they departed.

**OTHER:**

On 08/19/16, PIRS (b)(6);(b)(7)(C) conducted OSINT research to attempt to identify any media coverage of the incident. PIRS (b)(6);(b)(7)(C) discovered an online article on the Minnesota Star Tribune's website which chronicled the event, but did not mention the incident. The article had a photo of USSS/UND and local law enforcement attempting to block the demonstrators from a motorcade vehicle. A copy of the photo is attached to this report.

**CASE SUMMARY**

On 08/19/16, approximately 30 demonstrators from an unknown group impeded and caused damage to three motorcade vehicles prior to and during the departure of Candidate Donald Trump from the Minneapolis Convention Center (674-xxxxxx). As the motorcade was preparing for departure, demonstrators blocked the departure of the Spare, the PI, and the Minnesota State Police (MSP) tail car vehicles. Protestors then began banging on the vehicles with their hands; Candidate Trump and the rest of the motorcade had already departed unimpeded en route to the next site. The delay of the three cars impeded by protestors caused the motorcade to be split for approximately one minute. Upon arrival at the airport, both the Spare and the PI cars were noted to have black spray paint on them and the MSP car had dents from the protestors banging on it.

No injuries were reported. MSP did not have any investigative leads to pursue.

No further USSS investigation was conducted.
